Cost: \$425 per person

Refunds

Because our Hotel has required that we submit a non-refundable deposit to hold our reservation, trip refunds will only be given in extreme circumstances. Failing to meet eligibility requirements on the part of the student does not constitute an extreme circumstance. In most cases, if you decide not to go on the trip, you will be responsible for the entire package price.

Eligibility

In order to participate in this trip, by state law, students must meet UIL eligibility requirements. For a student to be eligible for this trip, they must pass all classes the 5th six weeks that ends on March 10, 2017. **Any student ineligible at this time will not be able to go on the trip and will not receive a refund.**
