- **January 15:** \$200.00 per person payment
- **February 15:** \$200 per person payment

Failure to maintain a balance that is consistent with the above payment schedule may result in a cancellation and you will still be charged the remaining balance of the trip. You may pay off you or your student's balance early at any time.

All checks for the trip must be made out to **BAOC (Orchestra) or you may pay on Charms. Choir students make checks out to BACB**

Refunds

Because our Hotel has required that we submit a non-refundable deposit to hold our reservation, trip refunds will not be issued. Failing to meet eligibility requirements on the part of the student does not constitute an extreme circumstance. In most cases, if you decide not to go on the trip, you will be responsible for the entire package price.

Eligibility

In order to participate in this trip, by state law, students must meet UIL eligibility requirements. For a student to be eligible for this trip, they must pass all classes the 3rd 9 week grading period ending on March 8, 2019. **Any student ineligible at this time will not be able to go on the trip and will not receive a refund.**
